

ROOSEVELT ROUTS
THE OLD GUARD
OF THE MACHINE

Hailed as the Leader of
the Republican Party,
He Stands Pre-eminent
in Convention at
Chicago.

SEN. FAIRBANKS
SECOND PLACE

Decision Reached in Mat-
ter of Vice-Presidential
Nomination Through
Action of Pennsylvania
and New York.

Chicago, June 21.—It was with
doubt about the nomination of Senator
Fairbanks of Indiana for the vice-presi-
dency last night's developments set it at
rest. When Pennsylvania and New York
fell into line the other boons did not have
a leg to stand on, and before the curfew
bell had rung Florida, Hawaii, Washing-
ton, Tennessee, Connecticut, Texas, North
and South Dakota, Maryland and Ala-
bama were in line on the question of who
should be Roosevelt's running mate.

It is a Roosevelt convention. A change
has come with the arrival of the great
mass of delegates and the thousands of
hustling Republicans whose interest and
loyalty has caused them to give up time
and money to see the congress of the party
in session. Until yesterday the lead-
ers of the old guard of the machine or-
ganization held sway. They were anti-
Roosevelt, ignoring the president in the
convention arrangements and had no
thought of him in planning the celebra-
tions. Most important of all they direct-
ed that one of their own selections should
be the new chairman of the national com-
mittee.

Then it was that the president's friends
on the ground made a determined stand.
They insisted that Cortelyou, the choice
of the president, should have the place,
and so they put to rout the old guard of
the machine. Some have fallen in the
fray. Men like Kerns of Missouri, Shel-
don of New York, Stewart of Illinois and
Hawley of Texas have been displaced on
the national committee by new men.
Roosevelt is the leader of the Republi-
cans.

The convention was called to order at
12.12.

field, Rutland, St. Albans, Vergennes, Wat-
erbury, Williamstown and White River

FRIGHTFULLY BURNED.

Mrs. Annie Agel of Burlington Victim of
Accident.

Burlington, June 21.—A gasoline stove
exploded at the residence of Mrs. Annie
Agel on Bright street last evening, the effects
of which may result in the death of Mrs. Agel
from the frightful burns she re-
ceived. She was standing near the stove
which was in the sink in the kitchen, when
the burning gasoline splattered on her and
set her clothing on fire. Members of
the families came to her assistance and
put out the flames, but not until the wo-
man was badly burned. Three physicians
were summoned, who pronounced her case
as critical. She is a daughter of Mr. and
Mrs. Brown.

An alarm was turned in from box 25,
and the department responded, but the fire
was out when they arrived, with no prop-
erty damage.

STEAM ROLLER CAUSED SMASH.

Two Persons Thrown Out of Team—Two
Wagons Smashed.

The city steam roller was the cause of a
smash-up at the corner of South Main and
Prospect streets this forenoon, a team
driven by Loren Webster of Bellows Falls
and owned by Livermore Abbott of South
Royalton, running away and smashing in-
to the team of D. M. Miles. Both Mr.
Webster and his wife, who was with him,
were thrown out of the carriage, but were
not injured. Mr. Miles was not thrown out.

Mr. and Mrs. Webster, who are the
guests of E. K. Perry, were driving on
Prospect street past the steam roller at
the City Hall corner, when their horse be-
came frightened. At the same time Mr.
Miles was driving down Main street. The
animal driven by Mr. Webster became un-
manageable and started on a run, striking
Mr. Miles' team broadside. In the collision
the top of the Webster carriage was
torn off and deposited on the ground, to-
gether with both the occupants. With the
body of the carriage bottom side up the
horses ran down Main street on the side-
walk, leaving the remnants of the carriage
lodged against McWhorter's sidewalk sign.
The horse was stopped without further
damage being done. Mr. Miles also
stopped his horse without further dam-
age.

It was very fortunate that both Mr. and
Mrs. Webster escaped serious injury.
Their carriage was badly damaged, and
the horse was bumped considerably. The
injury to Mr. Miles' wagon consisted of a
twisted wheel and a few broken spokes.

DICKEY FOR SENATOR.

Washington Delegation Will Support Him
at Chelsea.

Washington, June 20.—Great enthusi-
asm was manifested at the Republican
caucus held Saturday at 2:30 p. m. when
delegates were elected to attend the coun-
ty convention at Chelsea, there being four
aspirants, two each for senator, Mason
Dickey and Tillotson, and two each for
high sheriff, W. E. Worthy and G. W.
Downing. It was thought best to take
a vote of the caucus to see which could poll
the most votes, the result being that Ches-
ter Dickey won for senator and George
Downing for sheriff. The delegates were
then elected as follows: A. E. Whitcomb,
A. W. Hutchinson, D. S. Emery, E. M.
Seaver. The town committee elected is
A. F. Bohannon, D. S. Emery, E. M. Seav-
er, Cave Carpenter and G. W. Simpson.

ALLEGED WRONG-DOER.

A. J. Hall of Richmond Arrested Yester-
day.

Burlington, June 21.—Attorney M. G.
Leary returned from Richmond last even-
ing where he was called on official busi-
ness relative to the arrest of Almond J.
Hall, who skipped the town last fall. It is
said with a lot of other people's money in
his pocket. Hall returned to the village
Friday evening, was seen by the officials,
and was arrested, giving himself up quietly.
He has apparently come back to face
the music, as he shows no disposition to
be downhearted.

Last fall Hall was the trusted employee
of the Richmond Light and Power Com-
pany, holding a responsible position and
one in which much money passed through
his hands.

KICKED IN THE FACE.

O. Allard of Montpelier Badly Hurt Yester-
day.

Montpelier, June 21.—Oughtney Allard,
the Langdon street barber, was kicked
yesterday afternoon while driving to
Northfield. He was leaning over the dash-
board of the buggy to correct his dog who
was annoying the horse when the animal
kicked Mr. Allard full in the face. His
nose was broken and forehead crushed.
Mr. Allard was taken to Heaton hospital.

DROWNED IN A KETTLE.

Death of Only Child of Mr. and Mrs. Lew-
is Ploof, of Shelton.

Shelton, June 20.—Oakley James, aged
21 months, only son of Mr. and Mrs. Lew-
is Ploof, fell into a kettle of water, used
as a watering trough, Sunday afternoon
about 5 o'clock, and was drowned. His
parents were at the barn milking, when
they returned they found the child hang-
ing over the edge of the kettle. Dr. D.
M. Powers was summoned at once but
could not resuscitate the child.

BY THEIR ARMY'S RETREAT

After Two Days' Fighting at Haicheng
They Fall Back, Losing Thou-
sands of Men.

St. Petersburg, June 21.—The city is
cast down by the announcement that the
Russian army after fighting two days at
Haicheng, is in full retreat toward Liao-
yang, having lost thousands of men. Ku-
ropatkin, with reinforcements, joined
them at Stakelberg, but the Japs drove
them back.

DEATH OF WM. HOWARD.

Old Barre Resident Passes Away at Age
of 68.

William Howard, a well-known and
long-time resident of Barre, died at the
home of his daughter, Mrs. Arthur Bur-
zell on Pearl street, last evening at 8:30,
at the age of 68 years and five months. Mr.
Howard had been failing for nearly a
year and the cause of death was old age.
Mr. Howard was born in Barre and with
the exception of 18 years when he re-
sided in Orange, he had always lived in
Barre. He was a farmer by occupation.
Mr. Howard was not a member of any
order. He was a regular attendant at the
Presbyterian church. He is survived by
an only daughter, Mrs. Arthur Burzell,
and one brother who resides in Adairson,
N. Y.

The funeral will be held from his late
home, Thursday afternoon at 2 o'clock.
Rev. E. A. Poole officiating. The interment
will be in the family lot in Hope
cemetery.

BOY DISAPPEARS.

Harry Stowe Left Home Last Night. No
Trace of Him.

Harry Stowe, the 14 year old son of Mr.
and Mrs. Will Stowe of Walnut street is
missing. His mother sent him out to pay
a bill the other day and in a short time he
returned with it stamped "Received pay-
ment," but with no signature. Mrs.
Stowe thought it did not appear right, and
yesterday she asked him if he had paid
the bill, saying she would send out the
little girl to find out. It was only a few
minutes when she went back to see the
boy and he had disappeared. When he
did not show up last night the case was
reported to the police this morning and
Burlington, Waterbury, Northfield
and other places notified. One person was
found who said he saw him on the station
platform at Waterbury last evening, but
farther than that there is no trace of him.

IN HANDS OF THEIR FRIENDS.

Mr. and Mrs. James Harvey 21 Years Mar-
ried Yesterday.

About 50 people descended on the resi-
dence of Mr. and Mrs. James Harvey on
the East Montpelier road last evening and
reminded Mr. and Mrs. Harvey that it
was the 21st anniversary of their wed-
ding. The latter realized that fact but
they were not looking for an attack by
their friends. Notwithstanding the un-
expectedness of the visit the evening was
spent most enjoyably after a hearty wel-
come had been extended. Among the
gifts presented were a silver napkin ring,
a box of oranges, a pair of linen towels
and \$7.50 in money. Mrs. Fred Hayden
made the presentation speech and Mrs.
Harvey responded. Cake and lemonade
were served, and the guests departed with
best wishes for Mr. and Mrs. Harvey.

ALUMNI DAY,
CLASS DAY

Events of Goddard Com-
mencement

CONCERT LAST EVENING

This Evening Annual Prize Speaking
at Opera House—Graduation
Tomorrow.

Class Day with all its joys, has come
and gone again for another Goddard sen-
ior class, and the members of the class of
1904 are now just about to step out from
the institution where they have received
their training, some to continue their edu-
cation, others to enter at once upon the
activities which they have chosen for their
work. The exercises of the class of 1904,

Best All-round Athlete.

at the school chapel yesterday afternoon,
were successful in every way and were en-
joyed by a large audience. The chapel
was prettily arranged with flowers and
plants. At the back of the platform was
the class motto, "Row, No Drift," with
the class banner in purple and white, the
purple representing loyalty and the white
signifying truthfulness. Along the front
of the platform was an array of flowers.

Mark E. Berry, president of the class
of 1904, and without doubt the best all-
around athlete that Goddard ever had, had
charge of the exercises and performed his
duties as acceptably as he would complete
a double play on the diamond or make an
end run on the gridiron. He seemed to
be equally as well at ease, while his oration
on "Is It Worth While?" was well
written and well presented. Mr. Berry
referred briefly to great affairs of state in
this country and defended them, declaring
that the war of the Revolution, the Civil
war, the Spanish war, etc., were worth
while, and then touched upon education.

DAISY LENA DEANE
Class Poet.

He defended education and maintained
that it was worth anyone's while to get as
much as possible.

The musical numbers of the programme
were well rendered, including a piano solo
by Edna Grace Blake of East Cabot, two
pianofortes by Ella Blanche Batchelder
and Grace Edith Brown, both of this city,
and a vocal solo by the latter who did
admirably.

Prayer was offered by the Rev. Mr.
Bradley, followed by the oration of Mr.
Berry previously mentioned. The ad-
dress to the Juniors by Helen Maranda
Blake of Woodbury was a witty affair and
brought much credit upon the speaker.
Miss Daisy Laura Deane of Gayville
read the class poem composed by herself,
and the chronology of the class from its
entrance at the school up to the last week
was the cause of much merriment as well
as being full of interesting facts. Miss
Beattie Fales Shortt of Sharon and Merle
Bennet Clark of East Montpelier gave it.
The history referred to the old which had
been given in the athletics of the school, it
being remarked that this year the class of
1904 furnished four men for the foot ball

team, the same number for basket ball
and five for the base ball nine. The his-
torian also spoke feelingly of Harry B.
Tarbox, a former member of the class, who
died recently in Colorado, paying high tri-
bute to him. Miss Edna Grace Blake, who
had previously given a piano solo, had the
honor of delivering the address to the
Seniors, her composition being a most
thoughtful one. The "presentations," al-
ways the source of much enjoyment, was
no exception this year, at the hands of
Ella L. Clapp of Barre and Dean Seaver
of Montpelier. There were many good
hits, as there were also in the class will
read by Arthur Stewart of Lyndonville.

After the singing of the class song writ-
ten by Ella Blanche Batchelder and Grace
Edith Brown, benediction was pronounced
by the Rev. Mr. Bradley, and the exer-
cises were concluded by a hearty cheer
from the class of 1904.

THE COMMENCEMENT CONCERT.

Students in Voice and Piano Did Well Last
Evening.

The annual commencement concert, given
by the pupils of the vocal and instru-
mental departments of Goddard seminary
was held last evening in the school chapel
which was well filled with friends and
alumni of the school. Despite the fact
that the heat was almost unbearable in
the chapel the audience listened to the ex-
cellent concert with the closest attention
and apparent pleasure.

The difficult classical numbers on the
programme for the piano were rendered in
a most finished manner and with excel-
lent technique. Delightful vocal solos
were sung by Miss Jennie Mann, Miss
Grace Brown and John Angus and were
a very enjoyable part of the concert. Al-
together the recital was a most successful
one and one that reflects much credit on
the management of both the vocal and
instrumental departments.

The programme as rendered was as fol-
lows:

DOINGS OF ALUMNI
THIS FORENOON

Annual Address Delivered by Lawyer
William Wishart, '95, of
This City.

The annual assembly and exercises of
the Goddard alumni was held in the chapel
at 11 o'clock this forenoon with a rather
small number of alumni present. A meet-
ing of the Alumni association was held at
10:30 this morning but little business was
done before the meeting adjourned to 2
o'clock this afternoon. The exercises
were presided over by the president,
Frank S. Williams, '95, Rev. A. M. Smith
offered prayer and the first number of the
programme, a piano solo, was rendered by
Mrs. Gertrude Buell, '74, of Stratford,
followed by a vocal solo by Mrs. Susie Har-
ding Chase, '74, of Bethel.

The alumni oration was then delivered
by William Wishart, '95, of Barre. The
subject of Mr. Wishart's address was
"Progress" and his treatment of the sub-
ject was an interesting and able effort. He
said in part:

"Though the ages are increasing, pur-
pose runs
And the thoughts of men are widened
with the process of the suns."

"As to the truth of that saying we may
not all agree but the vast body of man-
kind will admit some, no doubt, with a
little hesitancy, depending greatly upon
their present frame of mind, that the
world is progressing in the realm of
thought which is essential to all progress.

In the maize of material for such a sub-
ject it is difficult to decide what is the
real cause of our progress, or is it the re-
sult of many causes?

"It is universally conceded today that
the discovery of America by Columbus
was the direct impetus for all subsequent
efforts in the way of discovery and explora-
tions, and it was one of the
greatest blessings to mankind."

"The motto of progress is the individual,
each and every one of us has a grand mis-
sion to fulfil. As each day comes it brings
its duty, and remember, we must 'count
that day lost whose slow descending sun
from our hands no worthy labor done.'"
The student pouring over his text book of
algebra or science is the man of affairs in
the future and the education he or she re-
ceives in institutions of this kind is indeed
a potent factor in our future progress.

At the conclusion of the oration a pleas-
ing trio was sung by the three Sturtevant
sisters Miss Florence, '04, Miss Alice, '07,
and Miss Helen, '08, of Hartland. The
poem "Bephan" by Robert Browning was
next read by Mrs. Stella Tilden Averill,
'74.

The exercises closed with the singing of
the school song and the benediction by
the Rev. Mr. Smith.

The alumni dinner was served in the
dining room after the exercises, and fol-
lowing the dinner a long and interesting
programme of toasts was carried out.

TRUSTEES' MEETING.

Largely Attended Meeting This Fore-
noon.

The annual meeting of the board of
trustees was held at 9:30 this morning
with an unusually large number of the
board present. The report of the presi-
dent, O. K. Hollister, was presented and
accepted. The old board of officers was
elected with the exception that C. N.
Kynyon of Barre was elected to the board
of auditors in the place of D. P. White.

OPENING
OF SEASON

Twin City Base Ball
Team Arrives.

PRACTICE GAME THURSDAY

Fans Will Have Chance to Get Line on
Team Before Opening of League
Saturday.

Five members of the Barre-Montpelier
league base ball team have arrived, and
the remainder will come this afternoon
and this evening, so that the local season
will begin at once. Those already here
are Stewart, Johnson, Dresser, Burke and
Poland. Of these Dresser is a pitcher.
The other pitcher, who goes by the name
of Sheldon, will arrive with the rest of
the bunch. The diamond on the Pitkin
farm is in good shape except that it needs
water to settle the dust. The management
extends an invitation to all base ball en-
thusiasts who have an interest in the wel-
fare of the team to go to the grounds this
evening and assist in sprinkling the dia-
mond. The Montpelier hand pump will
be used and with a little work the grounds
can be put in fine shape.

On Thursday and Friday afternoons at
four o'clock the fans will have an oppor-
tunity to see their favorites line up for the
first time when they play a team picked
from the two local seminaries and the two
cities. The picked team will be made up
of the following players, Berry, Fraser,
Seaver, Buchanan, Whelan, Crapo, Hull,
Standish, Minule and the extra pitcher of
the league team. Admission 15 cents.

A BAD ACCIDENT.

Supt. of Streets Alex Bruce Dislocated
Ankle.

Supt. of Streets Alex Bruce dislocated
his right ankle yesterday afternoon just as
he was about to mount his gig. Mr. Bruce
had placed his right foot on the hub and
was raising himself when the horse start-
ed at something and his foot slipped off,
striking the ground in such a way as to
turn the ankle, dislocating it and break-
ing several ligaments. Drs. Reid and De-
ziel were called and after setting the an-
kle, put it in a plaster cast. Mr. Bruce
will not be able to use the foot for some
time.

this morning by someone forcing open the
